PROFESSIONAL SUMMARY

Aspiring Software Development Engineer and B.Tech student at **SGSITS Indore** pursuing Industrial Production Engineering with a **Minor in Data Science**. Proficient in **Java, Springboot, React.js, Node.js, TypeScript, PostgreSQL, MySQL, and MongoDB**. Built production-ready features, designed **scalable RESTful APIs**, and developed end-to-end software applications through internships in startup and fintech environments. Strong foundation in **DSA, Object-Oriented Programming, DBMS and Operating Systems**. Passionate about **software engineering, problem-solving**, and building impactful technology solutions.

SKILLS

Programming Languages: C, Java, Python, JavaScript, TypeScript
Frontend: React.js, Next.js, HTML5, CSS3, Tailwind CSS, Responsive Web Design
Backend: Node.js, Express.js, Spring Boot, RESTful APIs, JWT Authentication
Databases: PostgreSQL, MongoDB, Neon
DevOps: Vercel, Render, Cloudflare R2, GitHub Actions, CI/CD
Developer Tools: Git, GitHub, VS Code, Postman, npm, Maven, Linux CLI
Core Concepts: Data Structures & Algorithms, OOPs, DBMS, Operating Systems

WORK EXPERIENCE

Arihant Capital [May'26- Jul'26]
(Full Stack Development Intern) Indore , Madhya Pradesh , India

- Explored and implemented full-stack development concepts using **Spring Boot, PostgreSQL, React.js**, and **RESTful APIs** in a **financial services** environment.
- Developed proficiency in **database operations, backend service integration**, and **secure application workflows** through hands-on learning and technical assignments.
- Utilized **Git/GitHub** and collaborated with developers to understand **modern software development, deployment**, and **application lifecycle practices**.

Assemble [Aug'25- Nov'25]
(Frontend Development Intern) Remote

- Developed and enhanced 12+ interactive web pages using React.js and JavaScript for an esports platform that supported 1,500+ user registrations across multiple tournament events.
- Engineered 15+ reusable React components and modular UI features, reducing development effort and improving maintainability across the application.
- Optimized responsive layouts using CSS Flexbox, Grid, and modern frontend practices, ensuring seamless performance across desktop, tablet, and mobile devices.

PROJECTS

Envoy-Secure Environment Variable Vault
Spring Boot, Spring Security, PostgreSQL, Next.js, TypeScript, Tailwind CSS, Node.js (CLI) [Github](#) | [Live Demo](#)

- Built a secure environment variable vault using **Spring Boot and PostgreSQL**, enabling **role-based access control** for managing sensitive application secrets.
- Developed **8+ RESTful APIs** with **JWT Authentication, Email OTP Verification (Brevo)**, and **AES-256 Encryption** for secure secret storage and retrieval.
- Engineered a **TypeScript CLI** with **terminal-based access to environment variables**, streamlining developer workflows and eliminating insecure credential sharing.

AlgoLens [Github](#) | [Live Demo](#)
HTML , CSS , Vanilla Javascript , Tailwind CSS

- Built an interactive **DSA visualization** platform covering **8+ Data Structures** and **5+ Algorithms** with **real-time execution animations** and **code tracing**.
- Implemented **synchronized Java code highlighting** using **Prism.js**, enabling step-by-step visualization of algorithm execution and improving conceptual understanding.
- Developed a fully responsive multi-page application using **HTML, CSS, JavaScript**, and **Tailwind CSS**, featuring **dark/light mode, speed controls**, and **downloadable code support**.

EDUCATION

Shri G.S. institute of Technology and Science (SGSITS), Indore, M.P. **2023 - Present**
Bachelor of Technology - Industrial Production CGPA - 7.05 /10

EXTRA CURRICULAR ACTIVITIES

Campus Contributor | Shiksha.com
Selected to create college-focused digital content, driving student engagement through high-performing reels and social media campaigns.

Video Editing & Graphic Designing Head | Alumni Student Club, SGSITS
Led video editing and graphic design initiatives, creating promotional content and branding assets for student events and community outreach.

Volunteer – E-Summit 2024 | E-Cell, SGSITS
Coordinated logistics and operations for 500+ participants, ensuring seamless execution of startup-focused sessions and networking events.
